# GRAPHIC NOVELS!

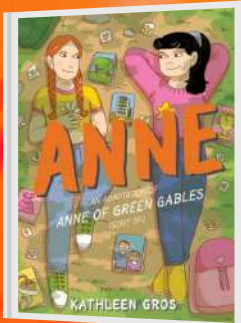

**Ultra Violet #1 Down to Business** by Cristy Burne

Violet is a science genius. Izzy believes in aliens. Leonardo da Pinchi is a talking crab. Together they're on a mission to save their school, only, today's the sort of day when ANYTHING could happen (including an outer space invasion and explosions!) It's time to get DOWN TO BUSINESS with some wacky science in a graphic novel that will leave you sitting on the edge of your (toilet) seat!

**Lightfall #1 The Girl & the Galdurian** by Tim Probert

The Lightfall series introduces Bea and Cad, two unlikely friends who get swept up in an epic quest to save their world from falling into eternal darkness! The two friends live a quiet and peaceful life, crafting medicines and potions but all that changes one day when Bea meets Cad, a member of the Galdurians, an ancient race thought to be long-extinct.

**Anne** by Kathleen Gros

L.M. Montgomery's treasured classic is reimagined in a whimsically illustrated graphic novel adaptation perfect for newcomers and kindred spirits alike. With an unstoppable imagination, 11-year-old orphan Anne Shirley takes Green Gables by storm as her misadventures bring a little romance to the lives of everyone she meets. Perfect for newcomers and kindred spirits alike.
